PART 1 – Our Agency’s Services

We prepared this Language Access Plan (“Plan”) to comply with Executive Order No. 26, as amended by Executive Order No. 26.1, which established New York’s Statewide Language Access Policy.¹ This Plan explains how we make sure that Limited English Proficient (“LEP”) individuals have meaningful access to agency services, programs, and activities.

In this Plan, LEP individuals are understood as people who do not speak English as their primary language and who have a limited ability to read, speak, write, or understand English.

Our agency’s services to the public include:

The New York State Council on the Arts (NYSCA) is dedicated to preserving and expanding the rich and diverse cultural resources that are and will become the heritage of New York’s residents. NYSCA makes over 2,500 grants each year to arts organizations in every discipline throughout New York State. NYSCA’s goal is to bring high quality artistic programs to the residents of New York by supporting non-profit arts and cultural institutions.

PART 2 – The Limited English Proficient Population in Our Service Area

Our agency uses U.S. Census data (including data from the American Community Survey) to determine the top ten languages most commonly spoken by LEP individuals in New York State.

PART 4 – Provision of Language Access Services

A. Determining the Need for Services

During in person encounters, our agency uses the following tools to determine whether an individual is LEP, and what their primary language is:

☐ “I Speak” posters or visual aids that provide information about free interpreting services in multiple languages

☐ Reception staff make those determinations based on training and experience

☐ Bilingual staff members, where available, assist in identifying LEP individual’s language

☐ Other (describe)

On telephone calls, our agency uses the following tools to find out if an individual is LEP, and what their primary language is:

☐ Reception staff make those determinations based on training and experience

☐ Bilingual staff members, where available, assist in identifying an LEP individual’s language

☐ Telephonic interpreting service

☐ Other (describe) Click here to enter text.

Our agency’s protocols for assessing whether an individual needs oral interpreting services in different service situations is as follows:

☐ During office in-person encounters: NYSCA’s offices are not open to the public. Individuals who come to our offices are through appointment only. Prior to coming to our offices, individuals are verbally informed of the availability of free interpreting services.

☐ At initial contact in the field: For initial contact in the field and all outreach efforts, staff will have available “I Speak” flyers or brochures that will inform the NYSCA applicant and public at large of the availability of free language assistance services.
When speaking on the telephone: Staff utilizes the interpreting vendor or bilingual staff members where available to provide free language services.

For pre-planned appointments with LEP individuals: In the event that an individual appears unable to communicate their needs clearly enough for staff to provide service, the receptionist motions to the “I Speak” poster to determine the language spoken. A bilingual staff member, where available, will be called to assist or staff will access the interpreting service provider. Arrangements are generally made in advance to have an interpreter available if one is needed.

☐ Other (describe): Click here to enter text.

Our agency records and maintains documentation of each LEP individual’s language assistance needs as follows:

The telephonic interpreting service vendor provides NYSCA with an ongoing summary of frequency of use, type of interpreting service provided and usage costs. NYSCA is then able to cross-compare these records to the logs maintained by reception and help desk staff.

B. Oral Interpreting Services

Our agency has made the following resources available for oral interpreting requests:

☐ Bilingual staff members who work directly with LEP individuals

  Number of staff and languages spoken:

☐ Bilingual staff members who provide oral interpreting services on a volunteer basis

  Number of staff and languages spoken:

☐ Telephonic interpreting service

  Name of vendors: Any vendor under the OGS Statewide Administrative Services Contract.

☐ Contracts or other arrangements with school and community organizations

  Name of vendors/languages:

☐ Other (Describe)

Our agency protocols for informing LEP individuals that free interpreting services will be provided and that they do not need to provide their own interpreters is as follows:

☐ During office in-person encounters: NYSCA’s offices are not open to the public. Individuals who come to our offices are through appointment only. Prior to coming to our offices, individuals are verbally informed of the availability of free interpreting services.
At initial contact in the field: For initial contact in the field and all outreach efforts, staff will have available “I Speak” flyers or brochures that will inform the NYSCA applicant and public at large of free language assistance and interpretation services.

When speaking on the telephone: Staff verbally informs individuals of free interpreting services available through a State contracted interpreter.

For pre-planned appointments with LEP individuals: In the event that an individual appears unable to communicate their needs clearly enough for staff to provide service, the receptionist motions to the “I Speak” poster to determine the language spoken by the LEP individual. A bilingual staff member, where available, will be called to assist or staff will access the interpreting service provider. Arrangements are generally made in advance to have an interpreter available if one is needed.

Other (describe):

Our agency’s protocols for obtaining interpreting services in a timely manner is as follows:

NYSCA’s staff is trained to connect to the selected interpreting vendor in a timely manner. This training is provided through the Statewide Learning Management System. NYSCA and our vendor also provide information regarding the process for obtaining interpreting services in a timely manner.

If an LEP individual insists on using a family member, friend, or other person as an interpreter, our protocols for deciding whether to accept or decline such an arrangement is as follows:

LEP individuals that come into contact with our agency will be informed of the availability of free interpreting services. Generally, an LEP individual may not use a family member, friend, or a minor as an interpreter. However, during emergencies, an LEP individual will be permitted to use a minor, a family member or friend as an interpreter. Upon request, an LEP individual may also be permitted to use a minor, a family member or friend as an interpreter for routine matters, such as asking the location of the office, hours of operation or rescheduling an appointment. Where the interaction with the LEP individual occurs at the agency’s office, and an individual is permitted to use an interpreter of his or her choosing, he or she must fill out a written consent/waiver form.

Where an LEP individual is engaged in official business with the agency, the agency will provide an independent interpreter at all times. An LEP individual will not be permitted to use an independent interpreter of his or her choosing when filling out applications or when involved in other legal matters.

Our agency provides information to all staff members who have contact with the public about how to obtain oral interpreting services. Our protocol in this regard is as follows:
Information on how to obtain oral interpreting services is provided through periodic training, at least once per year, to all staff. Training materials are available on our internal website.

The agency’s Language Access Coordinator (“LAC”) maintains a list of oral interpreting resources that are available to staff. This resource list includes:

- Names and contact information for all resources
- Names and locations of staff members who are available to act as interpreters or provide services directly in an LEP individual’s primary language
- Languages in which each interpreter or service is qualified
- Procedures for accessing each interpreter or service

Our agency records and maintains documentation of oral interpreting services provided to LEP individuals at each encounter. Our protocol in this regard is as follows:

The telephonic interpreting service vendor provides NYSCA with an ongoing summary of frequency of use, type of interpreter service provided and usage costs. NYSCA is then able to cross-compare these records to the logs maintained by reception and help desk staff.

**Cultural Competence and Confidentiality**

Our agency makes sure interpreters are culturally competent\(^2\) in the following ways:

Where NYSCA utilizes independent interpreting services, that vendor will implement quality assurance standards to guarantee that its interpreters are trained and are linguistically and culturally competent.

The LAC periodically, but at least once every year, reviews and identifies any new or existing vital documents that should be translated pursuant to Executive Order 26.1

---

All documents in need of translations will be sent to the selected vendor in a timely manner.

The following non-exhaustive list of documents are currently translated by our agency in the languages indicated:

The New York State Council on the Arts currently has no vital documents. Documents identified for translation after the signing of this Plan and before the 2-year reassessment will be translated in a timely manner.

The process for ensuring that translations are accurate and incorporate commonly used words is as follows:

---

3 The Plain Writing Act of 2010 defines plain language as writing that is clear, concise, well-organized, and follows other best practices appropriate to the subject or field and intended audience. Extracted from: https://www.govinfo.gov/app/details/PLAW-111publ274

B. Complaints

We provide information to the public in at least the top ten most commonly spoken non-English languages in the state, advising members of the public of their right to file a complaint if they feel that they have not been provided adequate language access services or have been denied access to services because of their limited English proficiency. We do not retaliate or take other adverse action because an individual has filed a language access complaint.

We display information on the right to file a complaint, and the procedures for filing a complaint, in the following manner:

The standardized complaint forms, along with the procedures for filing a complaint, are available in all ten languages in our public offices upon request. The complaint forms are also available for download or online submission through our website. Additionally, information on the right to file a complaint is posted in the top ten languages on our website and in our offices in areas where it can be easily seen by the public.
